

Crenshaw Blvd

# 54th & Crenshaw

West Angeles CDC was awarded the 2016 Great Streets Challenge Grant by Los Angeles Mayor Eric Garcetti, to conduct community outreach that would create a vision for neighborhood improvements. The project is focused on transforming the intersection of Crenshaw Blvd and 54th St into a community hub with innovative ways to re-imagine and activate public space in Hyde Park. Join the conversation and give us your input on the positive changes you want to see!
